

A fantastic turnout for this 3 course event. A combination of Gross, Nett and stableford, along with a "Teams Event" made for some interesting challenges. Over 140 players experienced Northern Wairoa, Sherwood and Mt Denby. All of the Clubs were presented in excellent condition, considering the difficult summer. The Northland Vets were very supportive in their attendance of the event, the visitors were made to feel most welcome and all made new friendships and vowed to 'return next year'.
