

33rd Riverside Pairs sponsored by Jams R. Hill

Locals scooped the pool at the May 21-22 Riverside Pairs event played on the Narrows and Lochiel courses. With a large number of the New Zealand vet's travelling contingent attending a full field of 58 pairs teed off with an unpromising weather forecast. Monday proved very wet and Tuesday was fine despite a worsening outlook.

Riverside's George Rogan and Colin Vincent took out the major James R. Hill trophy (120 points) with more locals – Graham Willey and Roy Harman runners-up and Graeme Bezzant and Peter Claringbold third.

In the mixed pairs division Riverside members Laurie Fogg and Tulip Ganzevles won on count back from John Mohn and Raewyn McMahon. Travellers Aaron and Jenny Chen came next on count back from a bevy of players on 106 – Terry and Karen Tapp, David Thompson and Malo Duggan and Tama Morehu and Mary Wano.

Players representing 27 clubs contested the event.
