

Wanganui 5 – 9 March 2018 results

A great field of 64 players enjoyed playing on 2 different courses over 4 days , two days at Rangitikei and two days at Castlecliff.

Each course presents challenges and were in great condition. The hospitality was wonderful, as was the organisation. Both courses were presented in superb conditions resulting in some very good individual scores. Jane Winstone retirement village again were very supportive in their sponsorship. A fact that is really appreciated by the players and the organisers of this event.

There were some interesting scores, with great sportsman ship amongst the players. Many vowing to return again next year. Over half the field was made up with players from all over the North Island.
