MIXED VETERAN'S TOURNAMENT
ENTRY INFORMATION

Dear Golfer

Attached are the two pages of the entry form, in PDF format, for the **2019** Mixed Veteran's Golf Tournament to be run by the Manukorihi Golf Club from **Monday 22nd April 2019** through **Friday 26th April 2019**.

If you are unable to open the attachments, then try our website **manukorihgc.com** or the Veteran's site on **nzvga.com** where you will find our flyer and the two pages of the entry form.

If you do not have a playing partner, please clearly mark your entry form with **PARTNER REQUIRED** and we will endeavour to match you up with somebody having an index close to yours.

Please do not assume that a **simple email** requesting entry is enough to enter the tournament as this can cause confusion so please make sure that you send in the entry form through the postal system or as an alternative to NZ Post see **Electronic Payment & Entry** below.

Be aware that the Thursday is ANZAC day, so play will be on Monday, Tuesday, Wednesday & Friday.

Please note the closing date for your entry, **10th April**, bearing in mind that the field fills quickly and once enough paid entries have been received to make up the required sections a waiting list will be created in the order that the entries are received.

Seeding

To try and make sections more equitable every attempt will be made to seed and rank players using their Manukorihi handicap. This handicap will be determined from the NZGolf published indexes available on the **Thursday 18th April**.

Electronic Payment & Entry

If you wish to use the internet to make an entry, we require the following;

1. Payment by Direct Credit into our TSB Bank Account Number **15 3945 0386858-00**
2. An email to Marie through **rere8533@gmail.com** that contains your **Surname, Christian name, Man or Women, Club, Your 7-digit ID Number, Your Contact Phone Number & your Residential Address**.

Golf Carts

Should you require a golf cart please indicate on your entry form. Their availability is limited so will be allocated on the first come basis.

Club Camping Sites

If you would like a caravan/motor home site, please make the request. There are only 12 **Powered** sites available, so booking is essential. In addition, 10 **Non-Powered sites** are available but for these to be used the accommodation units must be certified as self-contained. The cost for a powered site is **\$15 per day** and for a non-powered site is **\$10 per day**. If you cannot stay at the club, we recommend the **New Plymouth Top 10 Holiday Park whose details are on the front of the entry form**.
