

## Results Wanganui 2 course.

Ryman Village, Jane Winstone, were the very generous sponsors of this event. Maureen Johnson was proud to announce that they have a great relationship with the club and organisers and were looking forward to continuing the relationship. 65 players enjoyed 2 days at Rangitikei, a day to explore the local area, then the final 2 days at Castlecliff. Both courses were in great conditions, in spite of the dryness that the summer has given us.

The prize giving was made more memorable; as a special mention, plus a bouquet of flowers, was made of the valuable contribution that **Pat Pene** has made over numerous years, as she advised that she would no-longer be performing the role of Secretary for this tournament.

There were 2 divisions for the men and one for the women.
