Hi Members

We are receiving great support from our sponsors and town retailers for our 50th anniversary celebration. We have some great prizes for our winners and participants. ITM Turangi are really enthusiastic about their 'Hole in One Floating Challenge' and have a range of prizes for the events over the weekend.

On the table in the club room you will see a list on which to put what you will bring on the Friday fun night 25th October for free nibbles for those attending. We have asked the Vets to supply a plate but if you can bring something too we would appreciate it. Ed.

Please help the committee by letting any past members that you are still in contact with know about the event and encourage them to come along?

Bring along with you any fond memories you would like to share.

We are grateful to Andy Hema for agreeing to be the Master of Ceremonies for the Saturday evening programme of events.

Seating numbers are limited for the dinner so please get your booking in as soon as possible!

Get your teams together for the Ambrose 3 person golf on Sunday morning followed by a social BBQ. Let's see a good entry for the Open Tournament on Saturday too, your 50th Anniversary Committee have been working hard to make this a fun and enjoyable weekend.
