

RESULTS OF MOUNT MAUNGANUI VETERAN'S 54 HOLE STROKEPLAY TOURNAMENT HELD 26-28 FEBRUARY 2020

A total of 122 golfers, playing in three men's divisions and two women's divisions competed in this Stroke play tournament sponsored this year by Ocean Shores Village a member of the Arena Living group.

72 visitors from around the country joined with 50 locals for a sunny calm three days of enjoyable golf. It was pleasing to note that the tournament continues to attract players with a wide range of handicaps. Ken Meadden from Muriwai was the lowest handicap player playing off 2, shooting 70,76 and 69.

Competitors commented very favourably on the presentation of the course and the Greens Staff are to be congratulated especially with the effects of the ongoing long spell of hot dry weather.
