

*Pellows' 3 Day Pairs Tournament
Ngaruawahia Golf Club
Feb 27th – 1st, 2023*

The tournament had a total of 42 teams (pairs) entered.

There were 29 mixed pairs and 13 Men's pairs.

Teams from fifteen golf clubs were present. It was extremely pleasing to host players from areas that really suffered the worst from the effects of hurricane Gabrielle.

The tournament format was Rnd. 1, Best Ball Stableford, Rnd. two, Canadian Foursomes and Rnd. 3, Combined Stableford.

The course was in excellent condition. With the regular rain fall, quite often torrential, over the summer months, our fairways were green and the rough testing the players in some areas.

Team scores were generally around par and below.

The organising committee thank all of the participants and especially their support for the Gabrielle Relief fund raffle which raised \$500.
