

*Pellow's 3 Day Pairs Tournament
Ngaruawahia Golf Club
Feb 26th – 28th, 2024*

There were 46 teams from 24 golf clubs participating in the event.

It was a pleasure to host players from all areas of the North Island.

The tournament format was Rnd. 1, Best Ball Stableford, Rnd. 2, Canadian Foursomes and Rnd. 3, Combined Stableford.

The course did suffer from the dry summer we had experienced, and then with the high rainfall prior to the start the course did play with some difficulty. Despite this, the greens were presented in perfect condition

Team scores were generally around par and below, although there were runaway winners in both the mixed and female divisions. The men's division was extremely competitive.

There were three divisions this year, mixed male-female pairs, male pairs and the addition of a female pairs division.

Results
