

Pellows & Hills 3 Day Pairs Tournament
Ngaruawahia Golf Club
Feb 24th– 26th 2025

There were a total of 44 teams participating in the event this year and it was great to see so many return players along with some first timers.

It was a pleasure to host players from all areas of the North Island.

The tournament format was Round 1, Best Ball Stableford, Round 2, Canadian Foursomes and Round 3 which was Combined Stableford.

The course this summer has suffered from an extreme shortage of water which made for some interesting and sometimes difficult lies. However, our green staff did an amazing job of working with what they had to present the course as best they could.

Team scores given the amount of run varied considerably but from the smiles on the players' faces they enjoyed their time out on the course.

We were fortunate to have William Edgar-Savage from Pellow & Hills Funeral Directors available to present the main prizes. It's always great to give our sponsors visibility on these occasions.

There were again three divisions as per last year, mixed male and female pairs, male pairs and a womens division.
